Present at Meeting:

Chairman A Uren, Vice Chairman S Paul, Councillors F Colville & P Burden.
D Wilton - Clerk.

Members of the public: None (Details of the Zoom Meeting having been posted on
two Village notice boards)

Apologies received from: Councillors J Nettle & A Cox

Declarations of Interest: None

Public participation: None

The Minutes of the Meeting held on 26 November 2020 were formally and duly
approved by the Chairman as a correct record.

Matters Arising from the Minutes:

1. Play Area -
 - ◆ Grateful thanks to Councillor Burden for making & installing a replacement steel frame for the swings. Invoice received.

2. Defibrillator -
 - ◆ Training to be organised in the New Year.
 - ◆ Chairman to contact More Solutions regarding a quote for signage to be placed on the kiosk plus directional signs. The signage on the kiosk would necessitate a vinyl wrap to overcome the issue of the existing signs having been etched into the glass.

3. Planning applications - PA20/08447 - Proposed construction of a new dwelling - Land South West Of 1 North Lane, Tregear, PL15 8RD.

Objection 4 December 2020 as follows:-

If, as the closest neighbour to the proposed new build commented, the siting of the property has changed from the time of its outline planning permission, we can see no justification for this in the current application.

As a new build, this proposal misses an exciting opportunity. This application proposes an unfortunate and stark dwelling which is intended to co-exist in the characterful and charming hamlet of Tregear.

It is completely out of character and would be an unsympathetic addition to the existing dwellings as it observes nothing of the vernacular in its design or choice of materials.

If it were to be approved, it would set a very disappointing precedent for the future.

4. *Pleasure Ground* (small field situated in Badharlick) -

Discussion deferred until the next meeting until ownership of the field can be established.

Finance:

1. Precept - 2021/2022

- A lengthy discussion took place, the Clerk having provided, prior to the meeting, a list of the yearly expenditure. Given the increase in the Clerk's salary and the probability of funding an election in 2021 it was decided to increase the precept from £4000 to £6000. Proposed by Councillor Colville and seconded by Councillor Paul; all in favour. Clerk to email the notification to corporate finance at Cornwall Council by the end of the month at the latest.

2. Bank balances -
