### **Chairman's report :-**

Good evening to you all.

This, as usual, will be short and sweet! First of all I thank you all for your commitment to the Parish Council and attendance of the meetings. Thankfully we are able to meet in person although Covid still causes the odd disruption!

We have had a few changes again with Donna resigning, but not before ensuring we had a very capable replacement! Thank you Jacqui for jumping in at the deep end!

Also, although not present this evening, we now have Helen to bring us back up to full strength.

Many thanks to Steve in his role as Vice Chairman and for taking the reigns on the odd occasion of my absence.

We still seem to have the same issues as other years with speeding, dog fouling and the misuse of the play area but on the whole another year passes with some success, the main one being on the planning application of the telecoms mast.

I am happy to continue as Chairman providing Steve will continue as Vice Chairman.
