Chairman's report :-Good evening and welcome.

As always I thank you all for your continued commitment to the Parish. Thank you to Steve for your support, advice and wisdom throughout the year.

Huge thanks to Jacqui for all the hours of hard work that she puts in at and between the meetings.

The play area has been well used over the year but the equipment is now needing attention. Many thanks to those who are carrying out repairs including Paul, and also thanks to Robert and Helen for their efforts in applying for grants to renew equipment.

Dog fouling is still prominent and it is very disappointing that owners are not respectful of our beautiful village.

Planning applications have been addressed fairly and with local knowledge playing an important part.

The Pleasure Ground is an ongoing issue for another year and we are still no closer to a breakthrough. I hope that this year we can make progress and I feel that we should keep pushing forward in the hope that this can be resolved for the Parish and future councils.

Our first aid evenings are to continue again this year again with no cost to anyone who wishes to attend. The defibrillator has been out several times during the past year and checked fortnightly for continued use.

So that only leaves me to thank you for your support as Chairman and if you wish me continue, I am happy to stand for election.
