Minutes of 13th November 2025 meeting were formally and duly approved, by the Chairman as a correct record.

Matters Arising from the Minutes:

Pleasure Ground – It was decided that further advice would be required to make any progress.

Playing Field – the new play equipment installers had not been able to come on 5th January as planned, due to bad weather. Equipment deliveries had been turned back as no one on site to receive them. A skip has been delivered ready for them and they hope to be able to be there Monday 12th January 2026. Clerk will be away so installers will be given councillors contact details as agreed. Community fund plaques have been received to fix to the new equipment.

Community Area Partnership (CAP) R Colville had attended the last meeting and read through the topics. H Young to attend next meeting 5th March.

Milestone at Tregear – no response to emails. A Uren to try his contact.
